DAN MORALES
ATTORNEY GENERAL

June 12, 1996

Mr. Robert J. Miklos
Assistant City Attorney
Criminal Law and Police Division
City of Dallas
City Hall
Dallas, Texas 75201

OR96-0937

Dear Mr. Miklos:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 39934.

The Dallas Police Department received a request for a list of the sex offenders living in the Dallas area.

In Open Records Letter No. 96-0715 (1996), we addressed the question of whether article 6252-13c.1, V.T.C.S. (the "sex offender registration statute") required the city to release sex offender registration information for those required to register under the statute prior to September 1, 1995, concluding that the release of registration information relating to sex offenders who were convicted or whose cases were adjudicated prior to September 1, 1995 would constitute a Class B misdemeanor and was, therefore, confidential and excepted from required public disclosure pursuant to section 552.101 of the Government Code. However, we postponed our decision regarding the public release of juvenile sex offender information.

This office recently issued Open Records Decision No. 645 (1996) (copy enclosed) which addresses the issue of whether information relating to juvenile sex offenders, where the conduct occurred prior to December 31, 1995, is public information under the sex offender registration statute or confidential information pursuant to former

section 51.14(d) of the Family Code.¹ In Open Records Decision No. 645 (1996) at 5-7, this office concluded that the sex offender registration statute prevails over the confidentiality provisions of former section 51.14(d) of the Family Code and, therefore, information relating to juvenile sex offenders must be released to the same extent as information relating to adult sex offenders under article 6252-13c.1, V.T.C.S.

We are resolving this matter with this informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and may not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
